

# STUART POLICE

## CRIME WATCH MEETING

Our goal is to create a crime free community for all of the residents of Stuart to enjoy. Stuart Police Department is partnering with our local Homeowners Associations, schools and residents, to educate them in crime prevention tactics and promote programs to reduce crime. Crime Watch members are residents who may not always know each other, but take the time to care about each other and work together in a program of mutual assistance.

Crime Watch is about crime prevention education, with the implementation of important home and personal security strategies to help improve the overall quality of life in your neighborhood.
